

Senior Associate Attorney Opportunity: Earn \$125,000–\$200,000+ Doing What You're Meant to Do

Are you an attorney with 3-7 years of litigation experience who feels stuck in a role where your talents are undervalued, or your work is uninspiring? Are you tired of being just another cog in the machine? At **Dixie Law Group**, we're offering you the chance to break free and take your career to the next level.

About Us

Dixie Law Group is a personal injury litigation firm known for fighting relentlessly for our clients and securing life-changing results. We've taken on some of the toughest cases in personal injury, traumatic brain injuries, and other high-stakes litigation—and won. With a track record of seven-figure verdicts, we are not afraid to push cases to trial when justice demands it. Our team thrives on collaboration, innovation, and passion for advocacy.

Why This Position Is a Game-Changer

- **Earn What You Deserve:** Compensation based on production, with realistic earnings between \$125,000 and \$200,000 (or more)—your hard work won't go unnoticed or unrewarded here.
- **Trial Opportunities:** If you've tried a case, you know the rush. If you haven't, we'll give you the tools, mentorship, and opportunities to stand in front of a jury and make your mark.
- **Work with a Purpose:** Represent individuals who have been wronged, make a difference in their lives, and hold wrongdoers accountable.
- **Be Part of a Winning Team:** Work alongside lawyers who share your drive for excellence and thrive in a collaborative environment that respects your input and ideas.

-

What We're Looking For

- 3-7 (or more) years of litigation experience, on the plaintiff or defense side.
- A trial record is a plus (but not required).
- Someone who can hit the ground running with depositions, motion practice, and case strategy.
- A passion for advocacy, client service, and achieving meaningful results.
